# Is a career in health care in your future?

The Friends of Covenant Medical Center and the Friends of Sartori Memorial Hospital Scholarships were established to assist graduating high school students who have the desire to pursue a career in the health-related field of study or post-secondary students currently enrolled in a health-related program.

Scholarships will be awarded on the basis of academics, financial need and community involvement.

**Application must be submitted no later than March 9, 2018.**
